#### Highest Care Institutional College Board Of Directors Agreement and Acknowledgment

The Board of Directors, Administration, Educators, and Parents are in an ongoing disagreement pertaining to pandemic or outbreak school solutions. The main subjects are health, finances, and communication. Disagreements pertain to the difference in opinion of safety rules, questions of financial choices within the school and or pay, and lack of communication. Highest Care Education can shed light on how to move forward in mutual agreement. The Highest Care supported schools are participants of The Kids Safety Plan created by an innovative academic network science and technology company. The Kids Safety Plan holds three phases. Phase 1.) Complete Virtual Learning Phase 2.) Hybrid Learning Phase 3.) In-Person Learning. Each Phase is completed when data numbers drop below a certain percentage. During Virtual Learning ALL school activities will be conducted online. While Hybrid Learning classes will remain virtual, activity and sport will presume in person with stated guidelines. In-Person Learning School will continue in-person with stated safety guidelines into play for one annual school year. Guidelines for Virtual Learning include mailed school supplies, online academics with a full class (teacher & student) present during scheduled school hours. Hybrid Learning safety rules include a requirement for hallway mask or gear wear during school trips & school events. IANs Tech company provides our students, faculty & staff with plant based masks or gear that promotes good health according to MDT Pediatrics Facility. Plants that organically sanitize the environment around it are placed strategically outside of our facility to promote clean air when masks or gear are removed. Parents who disagree with our safety guidelines may choose to keep their student(s) in hybrid or virtual learning. Required Meeting Participants: (1) Highest Care Institutions BOD. (2) Earth Kids Academy BOE

HC BOD Meeting meeting rules: Open view to the public: *Parents, Faculty, Staff, and School Associates attendance ONLY*; LIVE with NEW; attendees have 30 seconds to voice their statement, description, and/or request for acceptance, decline, or discussion; BOD has 30 seconds to pass, decline or agree to discuss statement; If BOD answers with a discussion statement, the statement will be answered and reviewed between now and the nearest BOD Meeting; Attendants of BOD Meetings are not to discuss or display racism, school finances, sarcasm, jokes, spiritual or religious vocalities, physical display or violent conversation; BOD rules protect conflict of interest pertaining to statements and answers during board meetings as well as maintain business structure efficiently as well as minimize personal disagreements; HCI BOD's operational requirements grant our ability to gain mutual respect and succeed in the highest care of students across our nation. The curriculum does not highlight race, culture, or history of violence. The Highest Care Curriculum is dedicated to teaching scientific facts, creativity, and Life Stability from student academics and Edu. related experience through The Highest Care Institution supported schools. We find that removing ideological education from standard learning by replacing it with innovation and creativity is encouraged through advanced success within education.
